8PM

1000 Houghton Ave
Saginaw, MI 48602

Credit Unions Impact Saginaw and Alpha Media are partnering to share some joy this holiday season with Covenant Kids. We will be lighting up the sky every night at 8pm starting December 6th through the 10th. Everyone is welcome to attend and we are asking for gift donations for the kids at Covenant. Arrival time starts at 7:45pm.

There will be cookies provided by Tim Hortons, and Starbucks hot chocolate provided by the Covenant HealthCare Gift Shop. Each night will have a different musical act for entertainment and then we will all shine our lights to the kids' windows at 8pm. We will also have the local fire department, police and MMR out to shine their lights as well. Don't miss out on the fun!

The first 100 people that show up each night will receive a free flashlight provided by Impact Saginaw.
